

# **UNITED KINGDOM - SANSONE MRNA BIOWEAPONS PROHIBITION ACT - SAMPLE BILL (UNITED KINGDOM)**

## **BILL TITLE**

A Bill to designate mRNA injections and products as biological weapons as defined by the Biological Weapons Act 1974 and terrorism offenses as defined by the Terrorism Act 2000, to prohibit their possession, use, or distribution in the United Kingdom, and for connected purposes.

## **ENACTING CLAUSE**

Be it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

## **SHORT TITLE**

Section 1. This Act may be cited as the Sansone mRNA Bioweapons Prohibition Act 2025.

## **STATEMENT OF INTENT**

Section 2. The purpose of this Act is to designate mRNA injections and products as biological weapons under the Biological Weapons Act 1974 and terrorism offenses under the Terrorism Act 2000, and to prohibit their possession, development, production, acquisition, transfer, or use in the United Kingdom to safeguard public health and national security.

## **DESIGNATION AND PROHIBITION**

Section 3.

(1) All mRNA injections and products are designated as biological weapons as defined in section 1 of the Biological Weapons Act 1974 and terrorism offenses as defined in section 1 of the Terrorism Act 2000.

(2) In this Act, "mRNA injections and products" means:

- (a) Injections or products containing mRNA or modified messenger RNA, including but not limited to those related to COVID-19, where the structure is altered (e.g., by substituting two N-methyl-pseudouridine amino acids for uridine components) to evade immune destruction and allow prolonged production of pathogenic proteins;
- (b) Any human gene therapy product intended for any infectious disease indication, whether described as an immunisation, vaccine, or otherwise;
- (c) Nanotechnology or nanoparticles designed to alter genes or create biosynthetic cell replication;

(d) But does not include naturally occurring mRNA, defined as messenger ribonucleic acid, a single-stranded molecule of RNA that corresponds to the genetic sequence of a gene without modification.

(3) It is an offense to develop, produce, acquire, possess, transfer, or use mRNA injections and products in the United Kingdom, subject to penalties under section 5 of this Act.

## **ENFORCEMENT**

### **Section 4.**

(1) The Secretary of State for the Home Department, the Attorney General, the Director of Public Prosecutions, the Commissioner of Police of the Metropolis, chief constables of police forces, and other law enforcement authorities shall collaborate to enforce this Act using all lawful means.

(2) A public authority specified in subsection (1) that fails to investigate or enforce this Act upon receiving reasonable evidence of a violation commits an offense under section 56 of the Serious Crime Act 2007 (encouraging or assisting an offense), punishable by up to 7 years' imprisonment or an unlimited fine, or both.

## **PENALTIES**

Section 5. A person who contravenes section 3(3) of this Act is guilty of an offense and liable:

(a) Under section 1 of the Biological Weapons Act 1974, to imprisonment for life or an unlimited fine, or both, for developing, producing, acquiring, or possessing a biological weapon;

(b) Under section 1 of the Terrorism Act 2000, to imprisonment for life or an unlimited fine, or both, for committing a terrorism offense involving a biological weapon.

## **CIVIL REMEDIES**

### **Section 6.**

(1) Any person in the United Kingdom may apply to a court for injunctive or declaratory relief, or damages, against the Crown or a public authority for failure to enforce this Act.

(2) Proceedings under subsection (1) shall be brought in accordance with the Civil Procedure Rules 1998 and the Senior Courts Act 1981.

## **EXTENT, COMMENCEMENT, AND SHORT TITLE**

### **Section 7.**

(1) This Act extends to England and Wales, Scotland, and Northern Ireland.

(2) This Act comes into force on the day on which it is passed.

(3) This Act may be cited as the Sansone mRNA Bioweapons Prohibition Act 2025.
